

# Farmer-Vendor Application Form

Some of the basic rules that the founding farmers usually set up include:

- Vendors (members) must be Pennsylvania farmers.
- They can sell at the market only what they raise (supplementing during a harvest shortfall is allowed).
- Vendors must have their farm liability insurance coverage extended to include their products and stand at this market.
- All costs of the market (incorporation, advertising, insurance, bank account charges, etc.) are paid for by members on a fair share basis, and may include a first time-fee, a beginning-of-the-year fee and a weekly fee.
- Each vendor has one vote on issues. Vendors sharing one stand have a combined vote.
- New vendors will be accepted with a majority vote of the present vendors.

## Market Application for Farmer-Vendors

1. Name of main farm contact \_\_\_\_\_
2. Others involved \_\_\_\_\_
