Hay Ride Passenger Safety

Most Protection

1. Loading from wagon-level permanent platform with handrail; each passenger has individually designated seat within wagon perimeter; passenger directions given by driver.
2. Loading by sturdy portable steps with handrail; each passenger has individually designated seat within wagon perimeter; passenger directions given by driver.
3. Loading by sturdy portable steps without handrail; some passengers have a designated seat, others are seated on the wagon floor, all passengers within wagon perimeter; no passenger directions given.
4. Loading by bales of straw as steps without a handrail; seating on bales of straw or wagon floor; some passengers seated within wagon perimeter, with some passengers seated with legs dangling over the side; no passenger directions given.
5. Loading without steps; seating on wagon surface; some passengers standing or sitting with legs dangling over the side; no passenger directions given.

Least Protection
